

**1. Driver Record Abstract (CAN)/
Driving Record Schedule (USA)**  

From a driver's licence number, this report can provide the driver's licence status and restrictions. It lists prior 3 years infractions by type and date and can be used to verify a residential address.

2. Conviction Report (CAN)/Copy of Ticket (USA)

From the driver's licence number, conviction type and date, this search can identify the specifics of a conviction, including the vehicle involved, location, officer, and all other conviction details.

**3. Name Search for Driver's Licence Number (CAN)/
Name Search Schedule (USA)**  

From a name & address or a name & date of birth, this search can provide a driver's licence number.—ON only

**4. Driver Insurance History (CAN)/
Insurance Search Schedule (USA)**  

From a driver's licence number, this search can provide a complete history of insurance company names, vehicles, operators & reported claims history.

**5. Name Search for Vehicles (CAN)/
All Vehicles Registered (AVR) Schedule (USA)**  

From a name & address, name & date of birth, or driver's licence number, this search can provide a plate number. No description of the vehicle or driver's licence is provided.—ON only

6. Licence Plate History  

From a plate number, this search can provide a plate owner's name, a list of all vehicles the plate has been attached to including dates attached/removed and VIN numbers.

**8. Plate Search for Owner (CAN)/
Registration Schedule (USA)**  

From a plate number, this search can identify the vehicle that the plate is attached to, the plate owner's name, driver's licence and renewal date.

9. All Documents Search

From a plate or VIN, this search can provide a series of documents produced at the time the vehicle is transferred, usually at a time of sale. This may include copies of front & back of ownership with signatures, vehicle mileage & safety certificate (if available).

21. Weather Reports  

From an address, city/town and date, this search can provide archived Environment Canada weather reports.

22. STRIKEfax / STRIKEnet  

From an address and date, this search can provide accurate details of lightning strikes, showing times and kilowattage of strikes.

23. Building Permits and Plans

In a situation where the property itself is the cause of loss or injury through malfunction or collapse, this search can assist in identifying the names of contractors, inspectors, etc. It is useful in determining alternative coverage and/or subrogation.

24. Commercial Claim History  

From a business name or address, this search can provide a reported commercial claim history, including IBC codes, dates of loss, insurance company codes, policy numbers and payouts.

25. Corporate/Business Profile Report  

From a corporate/business name or corporate number, this search can provide a company address, date of incorporation (if applicable), directors' names and personal addresses.

26. List of all Businesses under a Corporation  

From a corporation name or number, this search can provide all current listed businesses under a corporation.

27. Articles of Change or Amendments  

From a corporation name and/or number, this search can list all corporation changes such as change of directors, change of company name, change of address, etc.

29. Federal Corporate Search  

From a corporate name or number of a federally incorporated company, this search can provide the company name, address, corporate number, status, list of directors and directors' addresses.

30. Commercial Credit Report  

From a company name and address, this search can provide a commercial credit report including a summary, payment trends, collections, legal actions, etc.

49. Fire Report

From details of the fire including the location, responding fire department, and parties involved, this search can provide the specified report.

60. Ambulance Report

Paramedic notes on the physical condition of the subject shortly after the time of the loss and during transit.

61. Air Ambulance Report

Paramedic notes on the physical condition of the subject shortly after the time of the loss and during transit.

62. OHIP Summary

Gives a complete history of medical treatment sought on an individual.

63. Doctor's Notes

Supplies observations, findings and medical care from the treating physician and their notes made while meeting with the subject.

64. Nurse's Notes

Nurses detailed notes based on observation and treatment given to the subject.

65. Emergency Notes

This will give you admitting notes and observations made during the time the subject was processed through the emergency department.

66. Dental Report

This report is specific to the occurrence or treatment by a Dental Specialist.

67. Specialist Report

This report is specific to the occurrence or treatment completed by a specialist who treated the subject.

70. FOI Restricted Driving Record
